Portland, OR

OBJECTIVE

To work in the field of sports broadcasting where my technical abilities and love of sports can be combined, allowing me to create compelling, story-driven media.

EDUCATION

August 2018-Present

Major: Broadcast and Electronic Media Studies
Minor: Journalism; Sport Management
Gonzaga University – Spokane, WA

WORK EXPERIENCE

Gonzaga Athletics IT

Gonzaga University, Spokane, Washington

October 2019-Present

- Setup and troubleshoot issues for stat monitors, laptops, and ticket scanners for basketball games.
- Helped run stats during basketball games.
- Assisted on miscellaneous IT work within athletics both for IT and business.

Spikenites Student Coordinator

Gonzaga University, Spokane, Washington

September 2018-May 2019

- Planned and ran events on Friday and Saturday nights on campus.
- Worked with coworkers to plan the events and figure out different logistical issues like accessibility to students and costs of events.
- Worked with other companies to help enhance and make certain events happen.

VOLUNTEER EXPERIENCE

Technology Team Member

Wi-Ne-Ma Christian Camp, Cloverdale, OR

June 2013-June 2016

- Assisted in creating a camp video for a Christian summer camp (one week per year).
- Collaborated with other team members to organize shooting, scene writing, digital asset management, and all aspects of video production.
- Focus was on asset management (keeping clips organized) and editing video using Adobe Premiere Pro and other software.
- Worked with campers (grades 3-6) to enhance their camp experience through special video projects and assisting other teachers.
- Assisted with other technical needs of the camp including audio setups, troubleshooting, and general technology requirements.

RELEVANT SKILLS

Adobe Premiere Pro, Adobe Photoshop, Video Production
